

ARMABOARD

Polypropylene Bubble Structure Material

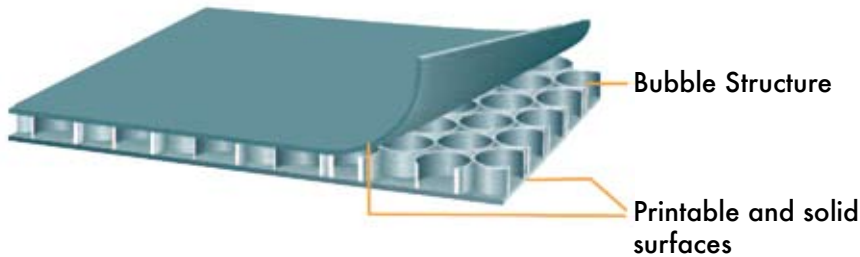

New!

INDUSTRIAL SOLUTIONS

A robust and lightweight solution

3-layer panel, combining a central thermoformed layer and two solid sheets.

- Light and strong
- Impact resistant
- Stable, multidirectional mechanical properties
- Rot-proof
- Non-toxic, resistant to chemicals
- Resistant to water and moisture
- Does not give off volatile organic compounds
- Printable (flexographic, screen-printing)
- Easy to transform: can be cut, folded, welded, perforated, stapled, glued and stitched
- Recyclable (through the Corex recycling program)

LIMITLESS IDEAS
Changing visions into reality
