

Rebound Graphex® A Solid Polypropylene Sheet that delivers on sustainability

Enviro-Range - Rebound Graphex®

Rebound Graphex® has been designed for industrial print applications. Made from 100% post industrial Polypropylene. Corex have taken a holistic view on recycling and have engaged its major clients in a recycling program. The program encourages clients to work together with Corex to return **Fluteboard®** and **Corflute®** materials for reuse. With our purpose built recycling facility, returned sheet in the form of retired packaging, printed signage and off cuts are all recycled and re processed into the **Rebound Graphex®** sheet, embracing the "cradle to cradle" principles of sustainability.
