AUSVEG and PMA Australia-New Zealand Limited (PMA A-NZ) have again united to deliver the joint industry conference and Trade Show, Hort Connections 2019. Hort Connections 2019 will be held at the Melbourne Convention and Exhibition Centre 24–26 June 2019. Members in the horticulture industry will be inspired to aim high, with the theme 'Growing our Food Future' headlining the conference. The event will cater to buyers and sellers from every segment of the fresh produce and floral supply chain including seed companies, growers, packers, processors, shippers, importers and exporters, wholesalers and retailers, foodservice, associated suppliers to the industry, and many more. Following on from the successful Hort Connections 2018 in Brisbane, this year's event is set to become the most influential space for networking, education and business for the entire fresh produce industry.
